**STARRING:**  
Earl  
*Private tutor of Earl*

**TUTOR:** Good morning, Master.

**EARL:** Good morning. Finally here! I was worried, you know?

**TUTOR:** I'm happy to see you too, young man. Are you ready for the lesson?

**EARL:** Of course! What's the plan for today?

**TUTOR:** We gonna start with Maths, Master.

**EARL:** Well, here are our numbers!

**TUTOR:** What?

**EARL:** Nothing, don't worry. Which page?

**TUTOR:** Page 276, Master. Today we gonna talk about the circle.

**EARL:** Well. Which book?

**TUTOR:** The red one, Master.

**EARL:** That brick? Believe me, I know tables that would need it to stand up. Or even better: they would be honored about.

**TUTOR:** Please, concentrate!

**EARL:** Like the tomato?

*Juliet?* Wow!

**TUTOR:** Sorry, I don't follow you... But... What the hell are you doing?

**EARL:** It's fantastic! "O Romeo, Romeo, wherefore art thou Romeo?" "Why? Who should I be? Are you cheating me?" "No, Romeo, what are you saying? I only love you and only you." "Don't worry, Juliet, I'm joking. Family dinner tonight!"

**TUTOR:** What are you doing, young man? Are you nuts?

**EARL:** I never felt so good. You rather, how do you feel? You look so pale... Relax! Catch some air. You're always so... Stressed. What's wrong with you? Let it out! You know that you can talk with me!

**TUTOR:** I'm very fine, thank you so much. Now put that stuff away and come back to Maths!

**EARL:** Shhh! My very good friend. You don't understand. You can't understand. Or worse, you don't want to. I don't really care about Maths! And you know what I mean? "My dear, I don't give a damn". Yes. I'd want to become a famous actor. My place is on the stage. Lights, people applauding... All around me.

**TUTOR:** Sure, Vodafone's advertising. Do you know what you said? Are you insane? Please, tell me that's all a joke and come back studying.

**CONTE:** No, I'm serious. I'm fed up with being locked in this dark and stinking room!

**TUTOR:** Do you need a lamp, an air freshener or both, Master?

**EARL:** I need theater, my friend. The Opera. I wanna leave, travel, discover new horizons. I wanna go around the world, be an actor.

**TUTOR:** Keep your voice down! I don't think that your parents would agree with you!

# Thanks for your attention
