Project KA229 2018-1-PL01-KA229-050749

TITLE: Catalan traditional dances

NUMBER OF STUDENTS: 40 aprox.

DESCRIPTION:

This workshop consists on having participants dance Catalan traditional dances. They can end up performing them in front of an audience.

OBJECTIVE:

- Discover and learn about Catalan traditional dances.
- Develop social cohesion.
- Celebrate and praise cultural diversity and differences.
- Work transversely among the subjects in the school: musical language, songs, history, atrezzo, etc.

METHODOLOGY:

- An expert teacher shows the basic steps and the participants follow him.
- The whole group interacts among each other collaboratively, dancing at their turn.
- Music and dance interaction fosters significant unforgettable learning.
- The workshop can be further expanded if it becomes more cross-curricular.

TIMING: 1 hour

MATERIALS NEEDED:

- Hi-fi equipment
- Music
- Big area where participants can move freely.
- An expert teacher (with some partner preferably) who knows the dance steps and leads the group dynamics.
