

6th grade student Tajana Ognjenović often needs help in solving English language tasks. Besides that, she often needs to be encouraged to work. The task was to listen to the dialogue and circle the correct answers. Tajana needed help and was helped by her classmate Dario Kramar. Dario is an excellent student in general and is excellent in English too. Tajana successfully solved the task with his help. Tajana felt proud and satisfied and Dario felt useful and friendly.
