

# The Future Begins Today

Pietro reported: "last year I felt inadequate, I spent all time at home after school listening to music and playing ps4. One day I saw on you tube a video uploaded by one of my school's mates. It was a traditional music. I took my grandfather's accordion and began playing by ear. The following day I asked for help to my school's mate. Since then we are always together. He taught me a lot and now we play in the same band"
