It's better if the delegations was at the same hotel.

I loved your hospitality and how the students treated us it was the best experience and days in my life I totally love Italy

One accommodation point for all delegations involved in order to meet the equity criteria and to ensure a better social bond.

We loved everything♥

I appreciate the final theatre show. I did not like the museum activity much. Thanks a lot.

Everything was perfect.

Show was very good, breakfast in Crystal was bad.

I would like to congratulate you for the beautiful organization of the mobility. I was pleasantly surprised to see many Italian teachers and students involved in the prepared activities. I

learned a lot about the country's culture and I would like to return with my family.

I LOVED IT!!! this was my best week in my entire life, i have no objections <3

It was perfect and I lived my best days here.

It was good. It was the best experience.

Best week in my life

I don't have any ideas

Less food

All the activities were well organized achieving the purpose of the program and all students were socialized to the maximum. The colleagues were very polite and showed us the Italian hospitality. I wouldn't have hoped for anything better from what I gained and experienced.

Everything it was good!
