

GAME REVIEW

Timeline: musics and cinema

Describe your game briefly. What sort of game is it? What is the goal?	Timeline is a reflexion and general culture game , the goal is to place all our cards in the right order on the chronologic line.
Players (number, age)	The players have to be 8 years old and must be minimum 2 players and 8 players maximum for play.
Content (what do you need to play?)	There are 110 cards of musics and movies which is writed the publication date behind.
Rules (explain the different steps)	<ul style="list-style-type: none"> -Distribute 5 cards to all players -Place one card of the pill on the middle of the table -The youngest player start -If the date is before the date of the middle card place to the left , if the date is after place to the right -If the answer is right let's the card where is she , if it is wrong put the card in the discard pile and draw another card
How does the game end?	The game end when a player have no card in his deck
Assessment (What did you like? What didn't you like? Why?)	<p>What we liked:</p> <ul style="list-style-type: none"> -It is a chill game -It is easy to play with all generation -It is very cool because we can learn and play at the same time -It is a quick game (15 minutes) -It is a little box that you can bring everywhere -The preparation time is very short <p>What we don't like:</p> <ul style="list-style-type: none"> -Need to have a lot of culture to enjoy the game -We know quickly all the cards of the game -The cards are little and easy to waste them
