

WHAT CAN I DO ON EDMODO AS A TEACHER?

I can give assignments, quizzes, receive instantaneously grades of quizzes and record them.

The screenshot displays the Edmodo interface for a teacher. On the left, a sidebar lists various groups and courses, including '3AT', 'Classe 4AT', 'Edmodo Certified Learner Course', 'Formazione Brixia Generazione Digitale2', and 'Barbara Costantini's 12th grade group'. The main area is titled 'Messaggi' (Messages) and shows a message from 'La sig.ra Costantini a Classe 5AT' dated December 8, 2015. The message content is: 'Do the comprehension quiz after watching the video. It will help you to get the main ideas about PCM, the topic of the next CLIL lesson.' Below the message is a response field. On the right, there are two panels: 'Manage Apps' with icons for various applications and a calendar showing '30', and 'Assignment Center' which lists two quizzes: 'Prelistening_activity_v...' and 'Sampling_rate_bit_depth...', both marked as 'Consegnato (1/7)' (Submitted 1/7).

I mostly use EDMODO in my CLIL (Content and Language Integrated Learning) lessons. Edmodo helps me to implement “*flipped classroom*” activities because students start they learning on their own at home, at their own pace, communicating with peers and myself online.

The screenshot shows a user interface for an Edmodo assignment. At the top left, there is a button labeled "Iscriviti ad un gruppo". Below it, a user profile picture is visible next to a text input field labeled "Scrivi una risposta...". The main content area features a post from "La sig.ra Costantini" to the "Classe 5AT" group. The post title is "Sampling_rate_bit_depth_video_comprehension". It includes a "Consegnato (1)" button and a "Data di consegna 15 dicembre, 2015" field. Below this, it states "17 quesiti". A response section shows "Risposta • Stai seguendo" and the date "8 dicembre, 2015", with another "Scrivi una risposta..." input field. The second part of the screenshot shows a video link post from the same user to the same group. The text says "Watch the following video!" followed by the URL "https://www.youtube.com/watch?v=zC5KFnSUPNo". Below the URL is a video thumbnail with the title "Music Technology 101: Sampling Rate and Bit Depth Explained" and the source "youtube.com".

DOCX File

I receive notification from the system when my students turn in their assignments.

I can send messages, upload files, create link to external relevant resources in a very friendly environment.

The screenshot displays a social media interface with a blue header bar. At the top, there is a search bar with the text "Cerca tra i messaggi, i gruppi, gli utenti e altro ancora". Below the header, two messages are visible. The first message is from "La sig.ra Costantini" to "Classe 5AT", dated "30 novembre, 2015". The message content is: "Hi Guys! Bring your laptops tomorrow, please! Bye". Below the message, there are interaction options: "Mi piace", "Risposta", "Condividi", and "Stai seguendo". A response input field is present with the placeholder text "Scrivi una risposta...". The second message is also from "La sig.ra Costantini" to "Classe 5AT". The message content is: "DVB block diagram". Below the message, there is a "Consegnato (3)" button and the text "Data di consegna 1 dicembre, 2015". Below this, there is a text input field with the placeholder "Describe the DVB block diagram.". At the bottom, there is a file upload section showing a PDF file named "dvh_block_diagram_1448362837.pdf" with a thumbnail image of a block diagram and icons for file and image viewing.

I can receive detailed analysis of the performances of my students.

The screenshot displays a user interface for a learning management system. On the left, a sidebar contains a document icon and the text "Copy #1 of numeri_c...", "Da consegnare 10 dicembre, 2015", a filter dropdown set to "Tutto", and a list of students: "3AT", "Matteo", "Giulio", "Domenico", "stefano", and another student. The main content area shows a header with three student profile cards, each with a score of "16/20". Below this is a section titled "Analisi dettagliata delle domande" with the subtitle "20 quesiti | 1:00:00". This section contains six pie charts, each representing a question ("Quesito #1" through "#6"). Each chart is accompanied by a title, a description, and the text "Vero Falso".
