Irakasgaia: ENGLISH
Gaia: **Creation of digital stories on Greek mythological characters/ Greek cultural heritage**
Maila: 1 DBH
Saioak: 4
Proposamenaren justifikazioa: As the project "Discover and share your identity mark " is a project between Elexalde school in the Basque Country and Katerini school in Greece, the knowledge and exchange of Greek mythology is a way to strengthen links between Basque and Greek students and improve the intercommunication between both schools for the project's benefit. And as they have read a book in class about it, it is a good opportunity to arise their creative skills and put into practice what they have learnt.

Arazo-egoera:
Our students will have the chance to discover characters from Greek mythology and the opportunity to create digital stories and share them with the Greek students.
 	
    A. Testuingurua:
    B. Discovering Greek mythological characters has made students aware of the importance of Greek mythology.
 	
B. Arazoa: Will our students be able to create digital stories through story jumper and at the same time will they discover the importance Greek mythology in their heritage?
 	
Ask students to choose a Greek mythological character, create digital stories, load them on the project blog and share them with the Greek partners.
 	
C. Helburua: Be aware of the Greek mythological heritage and the importance of it in Greek mythology to be shared with Greek school

Zeregina:

Read the blog to see what the students of 1 DBH did to see what last year students created. In the English class understand them. Then, choose one or more characters of the book. Create digital stories and upload them to the blog of the project. Greek students will choose the best one
