### Day 2: 23rd March

**Workshops. Meet**

9:00 -13:30 -virtual cooking class

*The best guilda*

There will be a chef giving instructions how to prepare it.

Students need to have the ingredients beforehand. They will follow the instructions of the chef and do it. Then we will choose the best guilda .

**virtual comic workshop**

Using Basque mythological characters

Before doing the activity, students have to know how the app Comic strip works .

This is not going to be streaming. But yes both students in both schools will do it at the same time

Once they finish them, they will be uploaded on the blog and decide the best one from both schools.

### Day 3: 24th March Basque school / 17th May Katerini school

**Virtual competition of Basque sports.**

We can do it in both high schools. First, students have to look at the tutorials to know what the sports are about. They also need to have everything prepared. Then students will play the sports in both schools. In each school it is recorded.

Then the video of both competitions can be watched in both schools
