

Isola 22/10/2021

Dear Erasmus friend,  
I would like to introduce myself.

I'm Michele and I am 12 years old. I live in Isola, our family moved to Isola in 2014. I like playing the drums and play with the Rubik's cube. My hobbies are playing the piano, football and singing. My favourite subject is cinematography. I like doing sports and I train fencing. I love editing videos and drawing. I like eating some Italian food, such as; pizza, pasta, arancini (Sicilian food) and I don't like spinach at all. I have a dog, his name is Xoz.

Do you have a dog too? What is his name? Do you play any instruments?

Goodbye Michele  
Pellegriani.
