

Yzola, 21 October, 2021

Dear Erasmus friend,
I would like to introduce myself.

My name is Erin and I am thirteen years old. I attend the elementary school Dante Alighieri. I live in Yzola, but a little away from the city. My family is made up of my mom Yllenia, my dad Alen, my brother Yjan and my dog Asti. I like to eat fruits and ice cream. I don't like most vegetables. My hobbies are making bracelets and making things with different materials, for example decorative boxes. My favourite subjects are history and physics. I practice ping pong every day and I think that it's a beautiful sport.

Do you practise any sport? Which food don't you like? Do you have any pets?

Goodbye from Erin
Mkovič.
