Dear Erasmus student,

My name is Luana and in this letter I would like to introduce myself. In my family there are my mom, dad, brother and me. My hobby is dancing but I also train it. I particularly like jazz, cheer and hip hop. I like going to school but I don't like studying. I have two pets.

My cat Garfield we call him Gafi too, and my dog Dea she's a golden retriever. My favorite food is pizza and fruits too. I don't eat a lot of meat.

Do you practise any sports? Which food do you like?

Do you have any pet?

Goodbye I hope to see you soon. =)

P.S. = I'm 12 years old. I have green-brown eyes and light short brown hair. I'm very friendly and happy person.
