Crete, Heraklion

Dear Erasmus friends

My name is Iriana and I'm 11 years old.

I'm from Greece specifically from Crete. I live in Heraklion.

I would like to introduce myself. My hobbies are cooking and of course I love volleyball. In my free time I study or I watch Netflix.

My favourite food is souvlaki, salmon and spaghetti with any dressing.

My favourite color is white. What is your favourite color? I hope to see you soon.

Goodbye from  
Iriana
