

Dear Erasmus students

My name is Stathis, I'm ten years old. I'm from Iraklion in Crete and my mother, father, sister and my dog live in Iraklion.

My hobbies are climb over the trees, doing my home work, drawing, and playing playstation 4.

My grand mother and my grand father live in a village, Astitsi. I have a lot of friends in school.

My favourite food is spudget, steak, apples and others but I don't eat some times a lot of food. My favourite sport is karate because I love it.

I'm friendly, good guy and I have a big heart.

I have brown hair, a beautiful face and black eyes.

Good bye, I hope you like that letter about myself and I'll see you soon.

Bye
Stathis
