30 odgovorov

15. If yes, please let us know...

30 odgovorov

No
-
Nothing
Slovenia is very beautiful
This project was great! I would come back again.
It was a very beautiful project
Know new people
No

To sum it up, the students participating in the mobility in Slovenia were satisfied with the activities and they learnt a lot about the project's topic, they also understood their guides very well, so one of the main objectives of this erasmus+ project was reached – the Slovenian students proved to be excellent Young Cicerones to their peers. Besides, the participants also think that their social, citizenship, and language skills improved in the course of the exchange in Izola.
