Everything was very nice.

The mobility was very good organized and we were well received. The Young Cicerones done a good work , I appreciate all of tem. 🙌

I want to express my congratulations to the Dante Alighieri School and Mrs Jandranka Mittendorfer for her hospitality. It was an amazing week!!!

Summing it up, the Erasmus+ teachers participating in the mobility in Slovenia were satisfied with the programme that was organized for the C3 mobility in Izola, Slovenia.

They think they and their students benefitted greatly from the exchange, being a fruitful experience, seeing the local surroundings, meeting hospitable people, having participated in many workshops and learnt a lot of adequate information.

They also appreciated the work done by the Slovenian Young Cicerones and the organizers of the week's schedule very much.
