1.3 Dual Vocational Training

Two learning venues

As part of the dual system, you will attend classes at a vocational school and receive on-the-job training at a company.

You will spend one or two days a week at a vocational school (Berufsschule) where you will acquire the theoretical knowledge and the rest of the time will be spent at a company.

70%
of VET in
companies

In-company training

- Company pays training allowance
- Training under real-life working conditions

30%
in vocational schools

Vocational education
provided free of charge

Approx. duration of Dual VET: 2 – 3.5 years

Co-funded by the
