

The background features a dark blue gradient with faint, light blue technical diagrams. On the left, a large circular scale with tick marks and numbers from 140 to 260 is visible. Several circular diagrams with arrows and partial arcs are scattered across the scene, suggesting a technical or scientific context.

INTRODUCTION TO THE WORLD OF CLOUD COMPUTING/APPLICATIONS: WEVIDEO

Reasons to use WeVideo:

- Sign up and sign on with your Google account.
- It is web-based so it works very well with Chromebooks.
- You can upload your content from multiple locations, such as GoogleDrive, OneDrive, Facebook, Instagram, DropBox, and more.
- The drag and drop timeline is very straightforward and easy to use.
- Even though it's easy, there are also some more advanced features so you can make a high quality video.
- You can add a voice over to your video. This is helpful when your students have a story to tell but probably won't get it right in one take.
- There are free themes, graphics, music tracks and sound effects, most of which are way better than what we can create on our own.
- When you publish your finished video, you have multiple options, send it to your GoogleDrive, Youtube, DropBox, etc.
- The WeVideo Academy has video tutorials that are less than 2 minutes long and so simple to follow .

WeVideo is the online video editor that makes it easy to capture, create, view and share your movies at up to 4K resolution for stunning playback anywhere.

Video creation for all.

Advanced video editing features made easy through a simple interface. You don't need to

Edit everywhere.

Start projects on one device and pick up where you left off on another. Works on any Mac or

Full creative control.

Use your imagination, not automation. You're in complete control with text, transitions,

Your basic environment:

The screenshot displays the WeVideo web interface. At the top, there are navigation tabs for 'Dashboard', 'Media', and 'Videos'. The main area is titled 'MY VIDEO' and contains a search bar with the text 'Spring'. Below the search bar is a grid of video thumbnails, each with a duration. A central message reads: 'Find videos, images, and audio. Try the Essentials library in your Free account.' Below this message are two buttons: 'TRY IT AGAIN' and 'UPGRADE YOUR PLAN'. A text overlay states: 'Unlock this feature with a paid subscription.' The bottom section shows a timeline with a playhead at 00:00:00 and a list of tracks: 'Video 2', 'Video 1', and 'Audio 1'. The 'Audio 1' track has a volume slider. The bottom right corner shows a play button and a volume icon.
