- Germany   →   March, 2018
- Greece   →   June, 2018
- Italy   →   March, 2019
- Spain   →   Junio, 2019

Co-funded by the
Erasmus+ Programme
of the European Union

"Cloud Computing in the European schools"
Project: 2017-1-ES01-KA202-038471

Meetings

Learning/Teaching/Training activities

Why?

Students share their learning about
activities previously worked at classes

Teachers share their learning about **activities
previously prepared (study)**

Meetings

Any other meeting?

YES!!

We will have a **VIRTUAL meeting** in December, 2017

Why?

Teachers will share each others our **study about SaaS activities** during **November and December** in order to **develop** them **at classes** during **January and February**, 2018

Co-funded by the
Erasmus+ Programme
of the European Union

"Cloud Computing in the European schools"
Project: 2017-1-ES01-KA202-038471

Meetings

What else about meetings?

The teaching/learning activities from the project will be worked by **all the students** enrolled in our schools (in our classes -ICT Vocational Training-), not only students who will do the mobilities.

Students who **complish certain conditions** can perform these **mobilities**.

In this way, **all students are guaranteed access to the project**, although only some of them will be able to do mobilities.
