## The secret village

Once upon a time there was a secret village, where all magical creatures existed, such as wolves, vampires, witches, blue boys, blue girls and the most special of all... Mr. Pumpkin.

Everything went well but one day Mr. Pumpkin, who was the meanest creature in the village, wanted to do a magic trick. He wanted to turn the blue girl, who was in a relationship with the blue boy, into a witch. Just because!

Meanwhile, the blue boy and the blue girl were having a movie **night** with **pizza**. Mr. Pumpkin, who was really jealous of their perfect relationship, **jump scared** the couple while they were watching a movie and eating pizza. First he paralysed them. And then he ate their pizza. He took his time and enjoyed every last bit!

When he had finished, he turned the blue girl into a witch and let out a really loud, mean, horrible laugh.

The noise he made was soooo loud that the blue boy immediately came back to his senses, only to find out that his beloved girlfriend had been turned into a witch. He rushed towards her, gave her a true-love kiss and she was the blue girl again!

Mr. Pumpkin was furious! He ran away in a rage. But he was soooo mean that he wanted to take revenge. The following day, he went to their house again. He tried to break into the house but the couple had protected their home with magic filters and he couldn't do it.

Moreover, these magic filters were poisonous, and the mean, terrible, horrible, disgusting Mr. Pumpkin couldn't breathe any more. Still full of anger and jealousy, he finally collapsed and died.

The beautiful blue couple had finally escaped danger and they lived happily ever after.
