**FREYBURG** - Wenn die Freyburger Sekundarschule „Friedrich Ludwig Jahn“ nicht schon nach dem Turnvater benannt wäre, könnte sie wohl den Namen einer nicht minder bedeutenden historischen Gestalt tragen. Während der kommenden zwei Jahren soll an dieser Stelle eine Mauer als Sichtschutz und mit einem Graffiti versehen entstehen.

# e-Twinning

The screenshot shows the eTwinning TwinSpace website. At the top left is the logo with the text "eTwinningTwinSpace". To the right of the logo are icons for "Support", a user profile, a notification bell, and an email icon. Below the logo is a navigation bar with links for "HOME", "PAGES", "MATERIALS", "FORUM", "ONLINE MEETINGS", and "MEMBERS".

The main content area is divided into two columns. The left column has a section titled "My School, My Life" with a list of bullet points:

- students form 4 mixed groups to create the target products in the participating schools in Austria, Latvia, Spain and Germany: a graffiti wall, a school garden, a playground, a painting
- empower students to actively participate in designing their learning environment
- develop skills that increase their chances in the labour market, as many of them come from uneducated homes and have learning difficulties
- students start entrepreneurship for their work

Below the list is a green button that says "+ Add a new post".

The right column has a section titled "Teacher Bulletin" with a button that says "+ Post an update". Below that is a section titled "Online members" with a user profile icon and a speech bubble icon at the bottom.

In November 2018 we started our TwinSpace in e-Twinning.

Our students introduced themselves, their school system, their town and made a video about their project result: the graffiti wall.

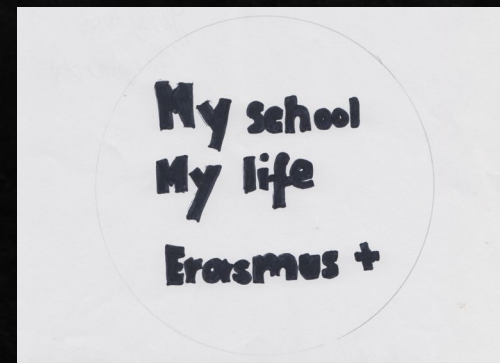

# logo competition

End of November we created logos for our project. Our social worker and graffiti sprayer Mr. Bölke helped us.

# January 2019

In January we designed project T-shirts and a student's mother made them for us.

We also prepared presentations about our school and our town for the 1st meeting in Freistadt, Austria.
