

Quality Education

What can we do?

- Ask our governments to place education as a priority in both policy and practice.
- Lobby our governments to make firm commitments to provide free primary school education to all, including vulnerable or marginalized groups.
- Encourage the private sector to invest resources in the development of educational tools and facilities
- Urge NGOs to partner with youth and other groups to foster the importance of education within local communities

Targets

By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and Goal-4 effective learning outcomes

By 2030, ensure that all girls and boys have access to quality early childhood development, care and preprimary education so that they are ready for primary education

By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university

By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship
