

# **European Tree of the year 2020**

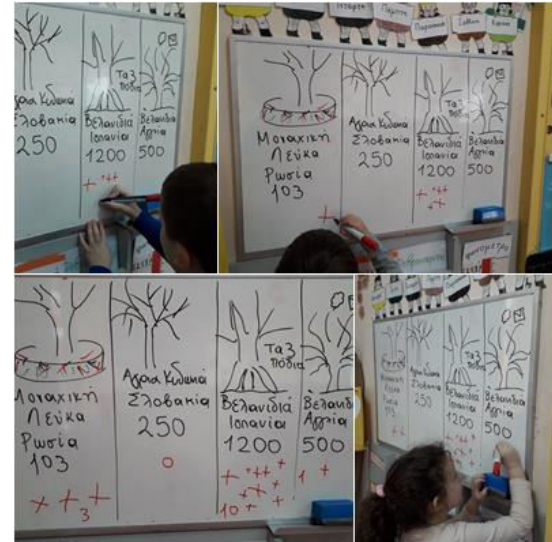

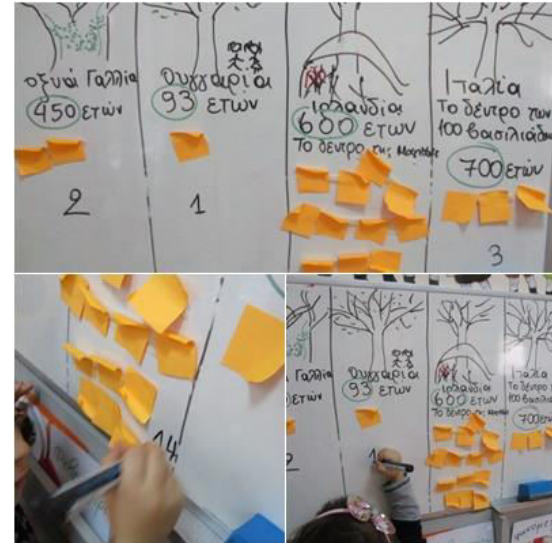

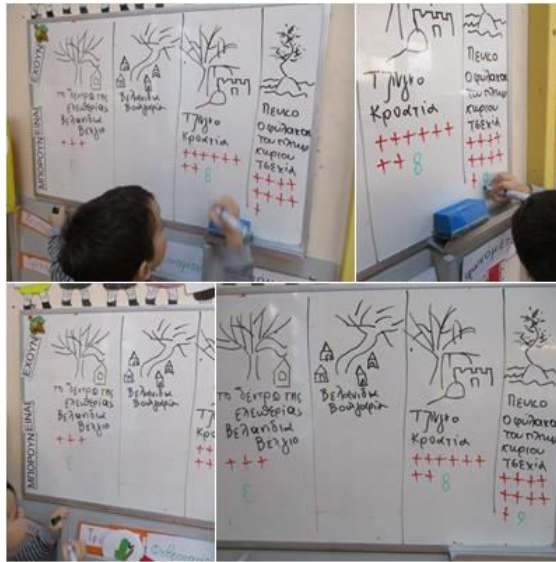

**2<sup>nd</sup> Kindergarten of Chalkida  
Class 1**

At first, we visited the official page of the European Tree of the Year 2020 and saw the pictures of the 16

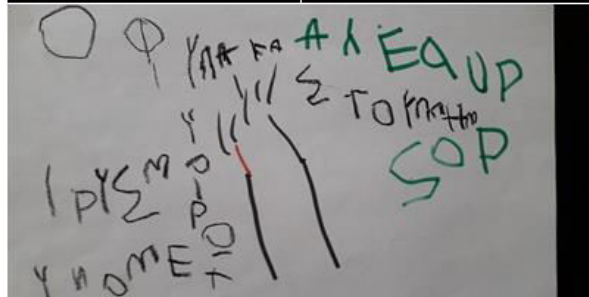

Then we started reading the trees' stories, 4 stories at a time, and voted for the one we liked most. This resulted in 4 votings. And in 4 dominant candidates which we drew and wrote their names

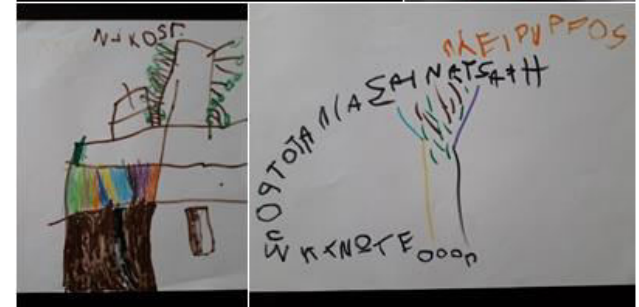

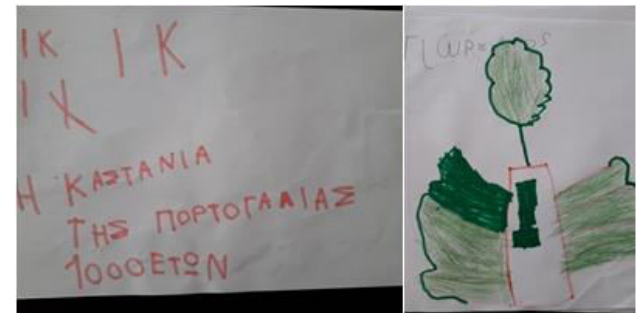

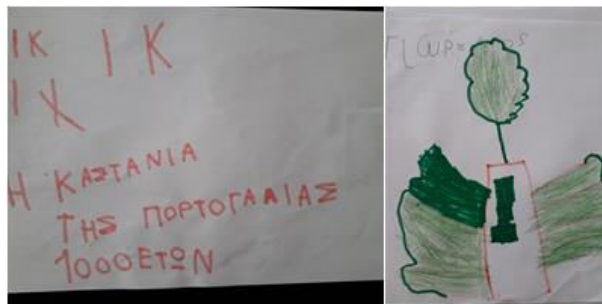

# 1. The Guardian of the Flooded Village

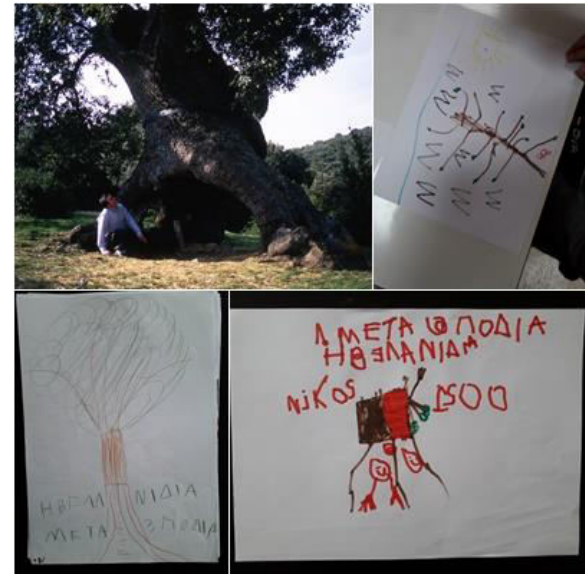

# 2. The Chestnut Tree from Vales

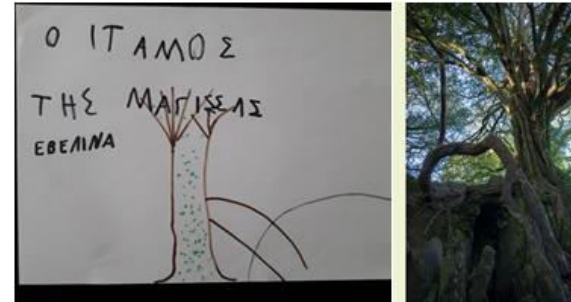

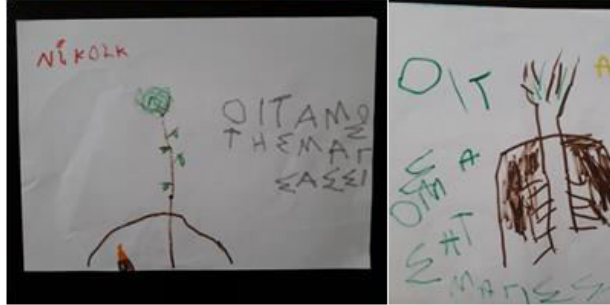

# 3. The Three-legged Spanish Oak

# 4. Witch's Yew Tree
