

Loimaan lukio-Loimaa upper secondary school

- Has about 300 students.
- The building was renovated in 2005 so it's quite modern now.
- The school has minilaptops, iPads, smartboards and semi fast wifi.
- There's a sports hall connected to the building
- We also have vending machines for coffee, lemonade and snacks

optional courses

- we have all kinds of different fun optional courses like:
 - trekking and skiing course
 - international courses
 - biochemistry course
 - and many more...

location

- close to a small store
- close to a sports center and an indoor ice rink
- is not completely in the middle of nowhere

Wanhats

- Every year we have a school dance in which girls from second grade and boys from first grade to second grade will dance in front of an audience.
- It is one of the best moments in high school
- The rehearsals will take up to 2 months.

Learning in school WHILE being relaxed?
What kind of sorcery is this!

WOW! technology! How radical is that?!
