

MINUTES VIRTUAL MEETING – 7th JUNE 2021

1. Welcome and presentation of participants.

2. Tangible results we should finish and prepare in a pdf file for uploading on Erasmus platform:

- Handbook in every mother tongue (I sent the handbook in English, change the information about your school and dolls and translate into your language)
- International Doll book with the information about your school (it is not necessary to translate into your mother tongue but you can prepare the Doll book for your dolls in every language)
- Etwinning page with information and work about the project in English
- Webpages for the project in every school in mother tongues(just be sure that all the information is uploaded). I'm attaching the links, can you check them?
 - Ècole Edmond Faure
 - Istituto Comprensivo Certaldo
 - Daugavpils pilsetas 11.pirmsskolas izglitibas iestade
 - Klaipėdos Tauralaukio progimnazija

The project ends on 31st August, but we have until 30 of September to fill in the mobility tool.

3. TWIN SPACE – Etwinning project.

Sabrina ask us to fill in the form for quality level in every country, she will send the information in English, we can translate and fill in before the end of June.

It is important to review all the contents and pages and be sure that all the information is on the page. We have to finish some new pages that were added:

- Digital tools we used
- Cooperative jobs we did during the project (we can include the activity Under the same sun) and the videoconferences, and it is necessary that everybody finished the glossary of vocabulary.
- For communication between partners Sabrina will upload screen shots of our whatsapp group, and María del Mar screen shots of google group, mails and shared documents.
- Safety on the internet, we can upload the documents we use for asking parents' permission to use images and other activities or information about e-safety.

5. PRESENTATIONS:

Values in our curricula and Persona doll methodology. – We compare how values are taught in every school. Presentations will be uploaded on eTwinning.
