|---|--------------|--------|
| Due to the Covid-19 situation it was very difficult |              |        |
| to plan activities because children have to         |              |        |
| communicate by PC. Nevertheless, we try to          |              |        |
| cooperate.  |              |        |
