PROBLEMS	IMPROVEMENTS	OTHERS
We need more time for finishing some INTERNATIONAL COORDINATION ACTIVITIES : Specially dissemination plan and result of initial evaluation.	The international coordination team agrees in changing the story to be read during the differences week. Instead of "The ugly durling" every partner suggested a book about the topic, we can share the activities and results of these different stories. Our etwinning page is used for project activities, no just as a container.	We worked about differences among families. The activities will be uploaded ASAP. We have just started preparation for next meeting in Latvia
