UNIVERSAL DECLARATION OF HUMAN RIGHTS

Presentator: Hi, guys, what do you think about the last news related to Julio Iglesias?

Ana Rocío: She is the 20th girlfriend, only this year!!!!

Laura: He changes girlfriends more than his own clothes!

María R: It seems a sex addiction.

P: And what about Cristiano Ronaldo?

AR: Are you talking about his taxes concerns or about the other thing?
Hahaha

L: He should close his zip or his wallet at least... hahaha

MR: You have to know that.....I've been with him.

L: Prove it!!!

MR: I cannot but....never mind.

P: And what about Angelina Jolie?

MR: If she keeps adopting kids, she'd better build a school.

L: Someone told me that she has a new boyfriend and she will adopt another kid.

AR: All these comments are examples of violations of the Article 12, which proclaims (...).

The article 12 of the Universal Declaration of human rights proclaims No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 13 and 14

UNIVERSAL DECLARATION OF HUMAN RIGHTS

Military: Stop, please. I said “Stop”. What are you doing?

Gonzalo: I would like to cross the border.

M: Where is your passport?

G: I don't have any passport.

M: How much money do you have? Where is your family? Why are you wearing so dirty clothes?

G: Does it matter, where I come from or which clothes I am wearing? You have to treat me as a human being.

M: Who says that?

G: There is a human right which says so.

M: This is not true.

M: What's up?

UNO Representative: Dear Sir, according to the Universal Declaration of Human Rights, the Article 13 proclaims: “Everyone has the right (...)”.

G: This scene we've just seen happens very often nowadays. In order to finish with these kinds of violations, we should work together: like this, we could have a fairer world.

My name is Rabat Manout, I am a 3rd year student of Engineering at Caracas University. I've collaborated with the Students Union and, for the last three months, I've been sleeping in different places every night. The government of my country prosecutes me because of my ideas. I need asylum since I think my life is in danger.

The article 13 of the Universal Declaration of human rights proclaims

(1) Everyone has the right to freedom of movement and residence within the borders of each state.

(2) Everyone has the right to leave any country, including his own, and to return to his country.

Article 14: Everyone has the right to seek and to enjoy in other countries asylum from persecution. This right may not be invoked in the case of prosecutions genuinely arising from non-political crimes or from acts contrary to the purposes and principles of the United Nations.

(In Gonzalo's house)

ANA: Gonzalo, I have great news for you!

GONZALO: What is it?

ANA: Yesterday I talked with Alba's parents and... You are going to marry her!! Isn't it fantastic? She is the perfect wife for you. She is intelligent, she has got two degrees and her family has a high social standing.

GONZALO: What did you say? Mum, I have to tell you an important thing... I've fallen in love with MOISES and I don't want to marry with whom I don't want to share my entire life.

ANA: Moisésssss?????? He is a boy!! This will destroy our reputation. Alba it is the best option for you if you love your family.

GONZALO: Mum you don't know anything about him.

ANA: I have the last word and I've said you will marry Alba. It is all organised. Forget Moises forever

GONZALO: Mother is my life and I believe that I've the right to choose the person with whom I'll get married.

ANA: You probably HAVE THE RIGHT BUT I'M YOUR MOTHER AND YOU WILL DO WHAT I SAID. I also invited Alba's family to prepare all the wedding so act like you are charming with the idea.

(Ring the bell)

LAURA: Good morning future family!

ANA : Good morning

(Ana le da un codazo a Gonzalo para que conteste)

Gonzalo: emm Good morning!

ALBA: Mum, I don't want to do this, I don't want it. Please stop. Stop mum.

GONZALO: I think the same as you. We can make our own decision without you.

LAURA: You don't think what you said you are too young to understand this situation. This is for your own sake, for your future.

ANA: Exactly, we are your mums and if we said you have to get married it is because it is the best option for your future.

ALBA: It isn't true, you only think in your own benefits. You can't FORCE US.

ANA: YOU ARE A....(they begin to fight)

(MOI appear)

MOISÉS: (Hi has piece of paper in his hand) Please stop! ANA, if your son doesn't want to do this, you can't force him.

ALBA: Mum, Ana, Moisés is right

MOISÉS: I can prove it. The article 16.1 proclaims:
