

A BOT or A PERSON?

Having a chat with an Artificial Intelligence...

QUESTION:

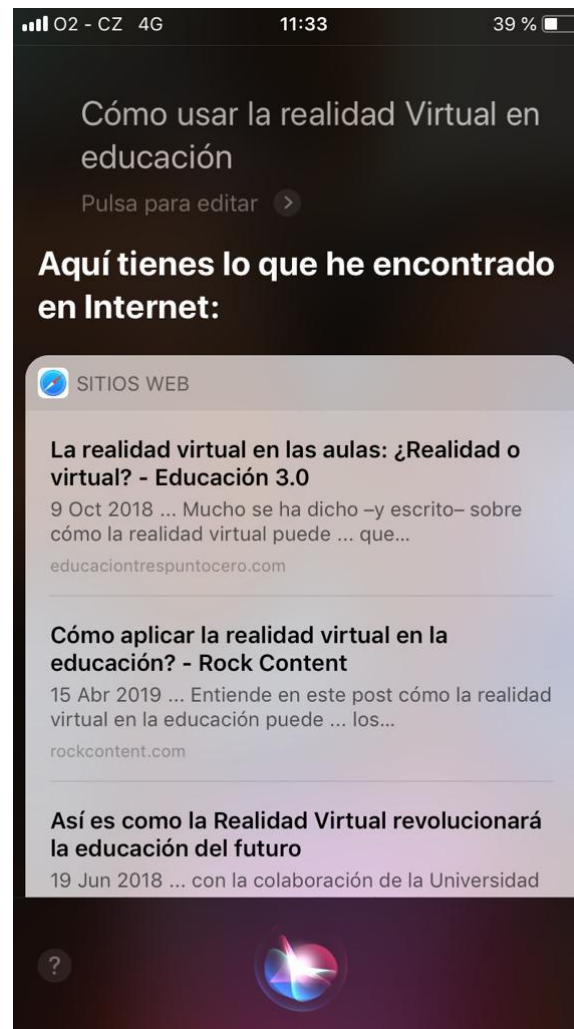

ANSWER:

FOR EXEMPLE
WITH SIRI...
...IN SPANISH.

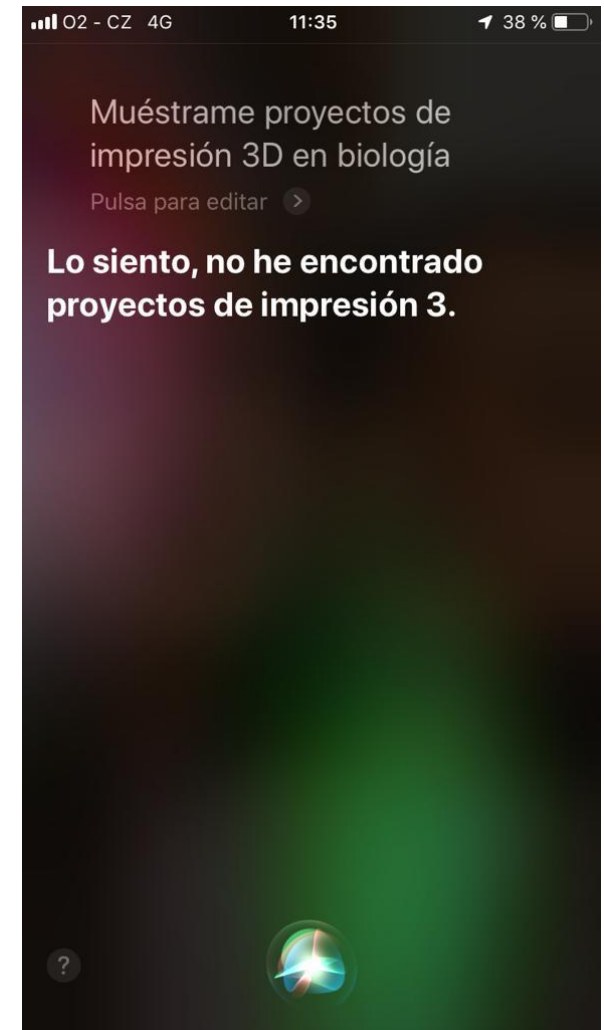

Exemples of discussions:

Easy question...

...more difficult...

...too hard.

Talking to a bot can be fun... (<https://www.cleverbot.com/>)

Clev: What are you doing?

| Speaking to you.

Clev: And besides that?

| Just some office work.

Clev: What kind of games.

| Games? I am working hard.

Clev: Are you the devil?

| Not yet... Clev: Ok sorry to bother you.

| Tell me please the weathrt forecast for Dreieich in Germany.

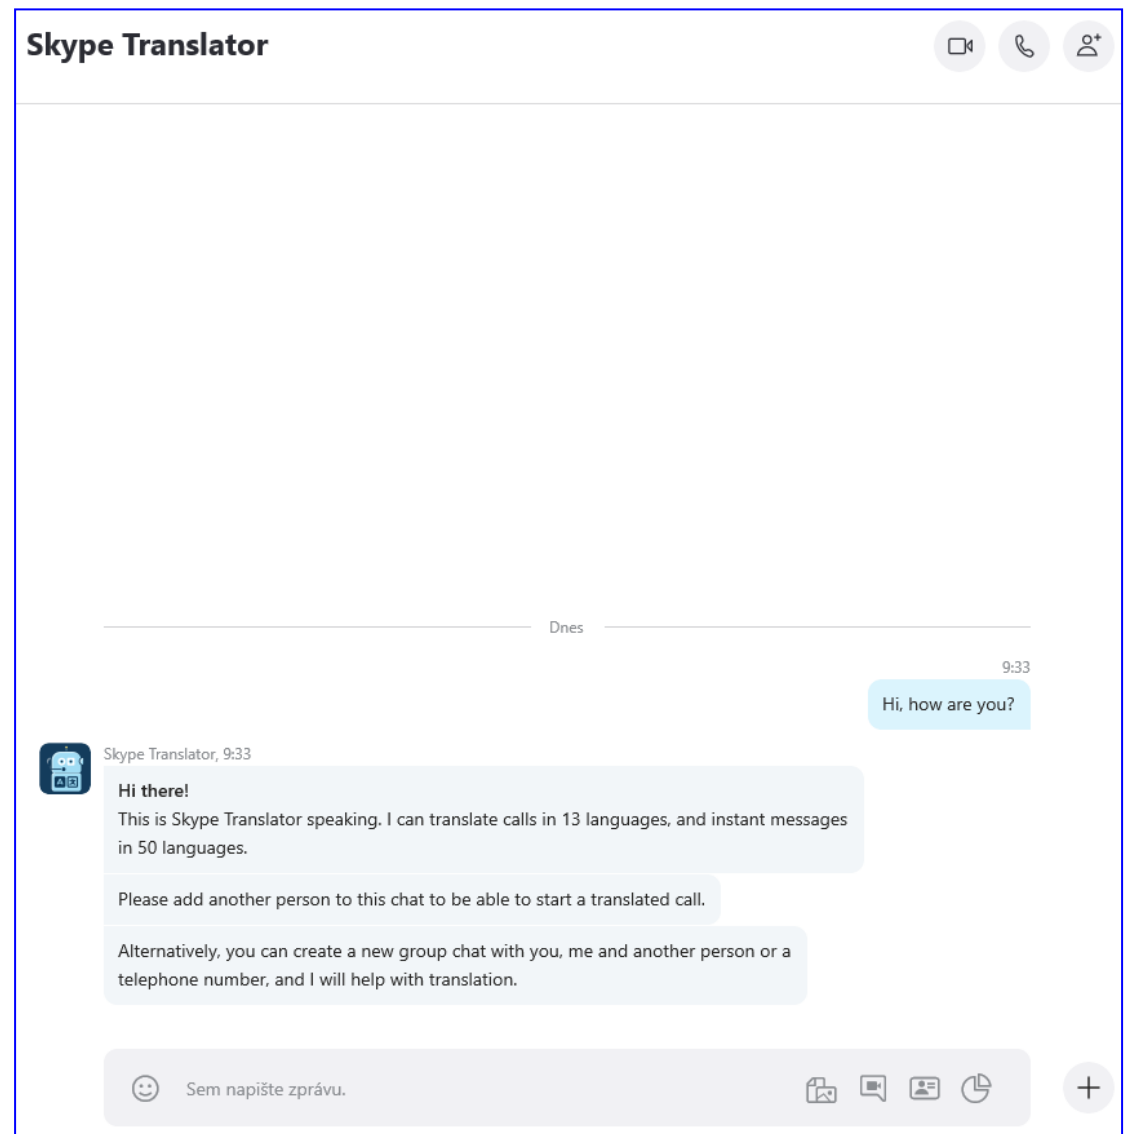

Clev: Help me? With what?

| Weather. Clev: What about the weather?

| In Germany.

Clev: That's nice. Is it nice there? #cleverbot

...or usefull.

Another "AI" conversation that can get quite strange...
