

MY HOME & FAMILY by Lucía Álvarez

My family is excellent. I live with my parents and my sister. My sister's name is Natalia. She's 25 years old. She works in a shop. My mother's name is Maria Concepcion, and my father's name is Jose Maria.

My house has got 3 bedrooms: one for my parents, one for my sister and one for me. It's got a bathroom, a kitchen and a living room.

My bedroom is yellow and has got two beds and a cupboard. My sister's bedroom is blue and it's got a big bed, a desk with a computer and a chair. It's got a blue lamp. My parents have got a bedroom with a big bed and a lamp.

I've got 4 dogs and some other animals.

I live near my school.

I am blind, but that isn't a problem for me and my life. I study with different books, but I understand the letters and numbers. I write and read every day. I've got a computer and I write and read on this. These actions are easy for me!
