

MY

My family consists of my father , my mother , my grandfather , my grandmother and me . I have no sisters or brothers.

My father has dark short hair. He is strong, tall and wears glasses like me. He has got green eyes.

He is serious although affectionate.

My mother has dark long curly hair. She is tall and has got brown eyes.

She is very cheerful.

I look like my father a lot , but my character is more like my mother's .

My grandparents are very good to me. They are not very tall.

My family is my greatest treasure. It is what makes me get up every morning with a smile. I love them!
