

A MUSIC BAND

A music band is a musical group made up of wind or string instruments and percussion.

It must be made up of instruments that can be played during parades or battles.

Sometimes the term 'band' is used to designate musical groups such as rock bands, pop bands... But these bands have nothing to do with music bands.

Rock band

Music Band

In Valencia, music bands usually play in parades of popular festivals in the Community.

In Easter week

In “ Moros i Cristians ”

In “ Falles ”
