1-INFORMATION

The Carnival in Frosinone is a historic carnival that is celebrated every year on.

The Historical Carnival in Frosinone is inspired by the citizens' revolt against the French troops occurred in 1798 and 1799.

The Carnival ends with the incineration of "King Carnival."

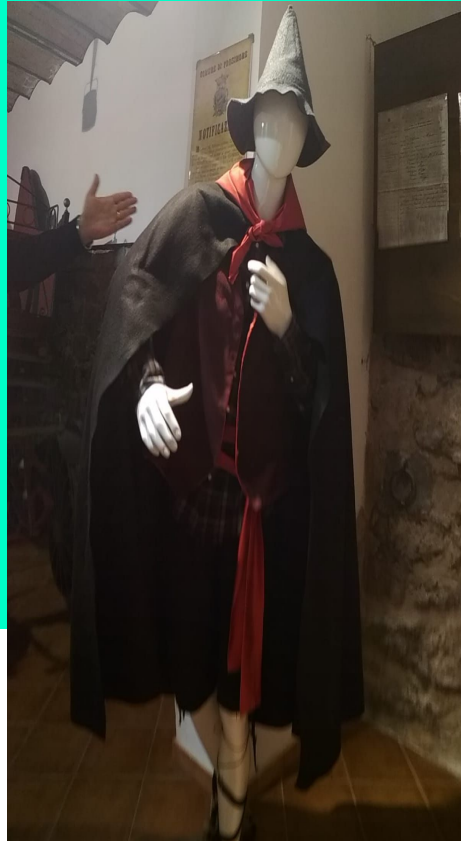

2-FLOATS

During the Radecca festival, then, in modern times, the entire canonical part of the carnival is superimposed, characterized by the float parade.

3-COSTUMES

The presence of costumes and masks is also very important. It is the most outstanding element of the carnival.
