

## Results of the poll about Eco actions in our schools – Midas

51 students answered the poll after our live activity on the presentation of the Eco actions that students organize in their schools.

Here are their favourite actions. They had to select 3 out of 24. The numbers correspond to the numbers of students who gave that answer.

	<b>Actions</b>	<b>Number of answers</b>
1	recycling paper, plastic	9
1	Prepare Zero waste T-shirts and bags and sell them to collect money for actions	9
3	have seminars in the school about the environment (with experts or others)	8
3	plant trees, flowers, ....in and around the school	8
5	collecting old electronic products and batteries	7
5	organise visits of the surrounding nature with (student) guides for the students, children	7
5	organise class cleaning of the city	7
8	organise cleaning of the surroundings of the school with students	6
8	have a natural fruit juice bar in the school	6

So let's all start recycling !
