

Report of eTwinning Project Post-test for Parents

The survey of “Project Post-test for Parents” has been answered by 110 parents.

1. Has your child ever been in an international project before?

110 yanıt

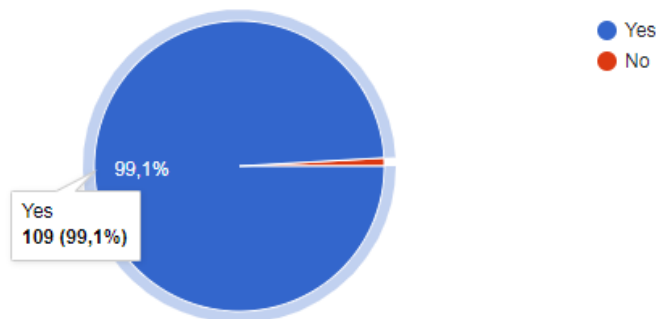

68,2% of the parents (75 parents) express that their child has never been in an international Project before.

2. Have you found “Youth has the Midas touch” activities useful for your child?

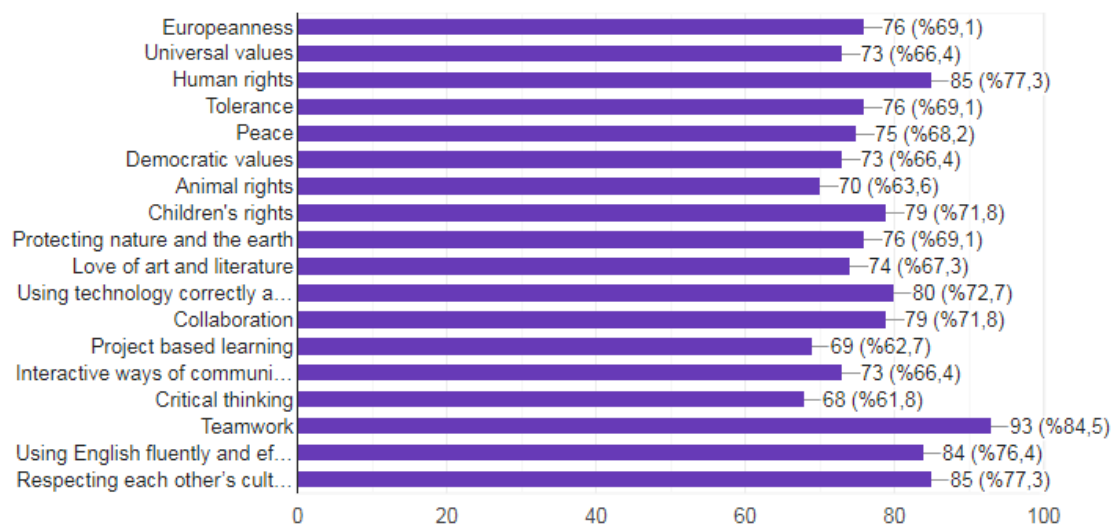

110 yanıt

109 parents point out that they have found “Youth has the Midas touch” activities useful for their child.

3. What has your child learnt during this project?

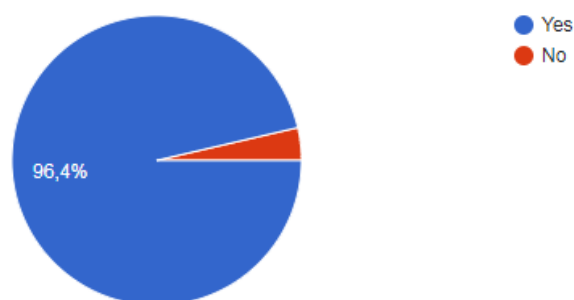

110 yanıt

The results of the 3rd question demonstrate that the targets of the project are highly achieved. Among these targets, “Top Three Achieved Ones” are “Teamwork”(84,5%), “Human Rights”- “Respecting each other’s culture and traditions” (77,3%) and “Using English fluently and efficiently”. As it can easily be seen project students have internalized all project targets.

4. Do you want your child to participate in other eTwinning projects?

110 yanıt

A great majority of the parents (106 parents)/(96,4%) want their child to participate in other eTwinning projects.

FINAL RESULT:

The answers given to the questions of the post-test survey have revealed that the targets of “Youth has the Midas touch” are highly achieved and the project has been carried out and completed successfully.
