

Youth has the Midas Touch

”I am grateful to the students and teachers partners for their involvement. It was a project of collaboration, empathy, communication, ethical, moral values, human rights. I guided the students towards the success of the activities and the joy of the final products was equal to the satisfaction of the work done.”

Toderic Adriana

Final Feedback and thoughts....—students and colaborators teachers

Adina LPS

I consider that this e-Twinning project had very interesting activities, I learned about what it means to be a good citizen, to respect others.

BiancaLPS

The topics presented by the teacher were interesting, we discussed, shared opinions, and created interesting materials. I liked the Midas Student Declaration, made in Genially.

Mihai LPS- " Thank you e-Twinning for creating such opportunities for students to collaborate with students from other countries".

Raul LPS

"It was a great joy to be part of the project team. During the activities of the Youth has the Midas Touch project, I learned new things about what online safety means, and I really liked the Speack Pic application."

Razvan LPS

"I learned to work on Twinnspace and the e-Twinning platform. I liked this project, it had various activities."

Thank you all!!

Georgiana LPS

"It was my first e-Twinning experience. I liked it and I want to get involved in projects. I liked Jeopardy Game the most!"

Ioana LPS

"I participated in discussions on biodiversity and safety on the Internet. Very useful."

Thank you e-twinning!!

II LPS-English Teacher

"This e-Twinning project represents an awesome learning activity for students from our school. They improve their abilities to communicate in a foreign language. Moreover, it has offered great chances to teachers of other subjects beside English to bring interdisciplinarity."

UJ-Geography Teacher

"For me, participating in this project was a real opportunity to train skills among students, skills that reflect interdisciplinary and transdisciplinary. It was also an opportunity to collaborate with partners from other countries. I participated as a guest in Eco Awareness activities with great pleasure."
