

OUR MOBILITY TO CROATIA

04/04/2022

We attended the open ceremony first thing in the morning. It was incredible! Many Croatian students participated and we really enjoyed it. We also participated in a choir workshop with the Music teacher, Zaklina. She is a very good teacher! In the afternoon, we had an art workshop and visited Vrbovsko, a very nice place.

Day 5

In the morning, we participated in a dance workshop where we discovered many different dances from Croatia. We practiced one of them to perform by the end of the week. In the afternoon, we went on an excursion to Plitvice Lakes. The lakes are outstanding! The colour of the water is breathtaking and we really liked the walk in

nature.

Day 6

We visited a museum in Rijeca, a big city near Ravna Gora. It was very interesting. After the museum, we had lunch in an Italian restaurant and visited a shopping center in the city. We bought different presents for our family. After the trip to Rijeca, we had a workshop where we presented typical dances from our countries. It was really nice knowing the culture of our friends.

Day 7

This was the last day before our trip back to Spain. We had a concert in the afternoon, where we were going to participate too! It was very exciting. In the morning, we had the game of the “Secret friend”. At the beginning of the week, we were given a name of all the participants in this mobility, and this person was going to be our “Secret friend”. By the end of the week, we had to give him or her a present and tell all the positive things we saw about them. A great way to get to know each other.

Day 8

On the last day, we went hiking in the surroundings of Ravna Gora. It was a beautiful walk. In the afternoon, we flew back to Spain, thinking about all the things we had done and the importance of traveling abroad to know different cultures.
