

Our School book Club 2020-2022

LEGGERE PER COSTRUIRE IL FUTURO

RIPARTIAMO DAI LIBRI!

For the school years 2020-2021, 2021-2022 and 2022-2023, our school has joined an online book Project, called #ioleggoperchè.

In the website <https://www.ioleggoperche.it/> you can find the Project;

IT IS A LARGE COLLECTION OF BOOKS IN SUPPORT OF SCHOOL LIBRARIES

It is organized by the Italian Publishers Association, supported by the Ministry of Culture - Directorate General for Libraries and Copyright and the Center for books and reading, in collaboration with the Ministry of Education.

#ioleggoperché is the largest national reading promotion initiative. Thanks to the energy, commitment and passion of teachers, booksellers, students and publishers, and the public who have contributed to the success of #ioleggoperché, so far over a million books have been donated to schools, which today enrich the book heritage of school libraries throughout Italy.

Thanks to this Project our students are having the possibility to read different books, offered to the school by common people, teachers, parents and so on. The books will stay in the school library.
