41 respuestas

6.What do you think about water now? Did you understand their importance?

41 respuestas

I think that water is very important for our life because it protects us from germs and virus, especially in this COVID 19 period.

Yes, I did.

Yes I think

I think that water is very important for our life because it protects us from germs and virus, especially in this COVID 19 period.

Yes, I did, water is very important.

yes absolutely

I think so

yes and I think water is very important
