

Mrs. Sarakosti Recipe

Ingredients

3 cups of flour
1 cup of salt
1 cup of water
spices for decoration such as carnation or millet

Preheat the oven to 160° C.

Put the ingredients in a bowl and knead until it becomes and elastic and nice dough. Lay the dough on a baking sheet and make her body, her skirt, her face, her legs, decorating it as you want. Bake for 20 to 30 minutes. We are interested in drying rather than cooking, the dough.

Good luck!
