*Peoples can
communicate
not only with
words but
also through
gestures*

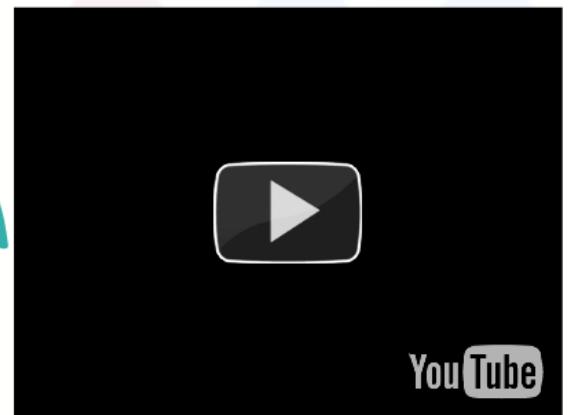

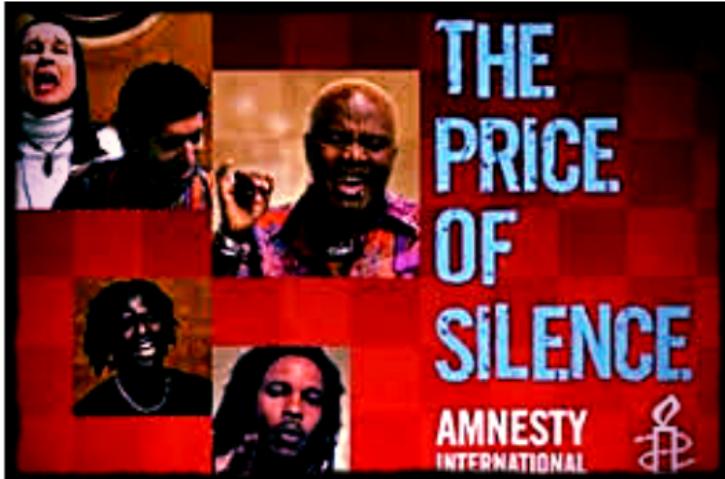

*Music is life because unites all
peoples of different races,
religious and people with
special needs*

The price of silence

The song was written for the 60th anniversary of the human rights statement and are singing 16 internationally renowned artists from countries where human rights are not yet fully guaranteed

It is a frame from the book "Welcome" to Emilio Abramo and Marco Pappalardo "San Paolo" edition

The Price of Silence

This is for the orphan children
and for all the refugees
the disappeared, the bombing victims
don't get ratings on TV

Contra los arma-guerras
contra las discriminaciones
contra los violadores
contra las malas vibras.

We are all in this together
brothers and sisters, we can do better!
raise your voices to the sky
The Price of Silence is much too high...
