56 odpowiedzi

Are you going to share your experience which you gained during the project with the others - students, friends, family?

56 odpowiedzi

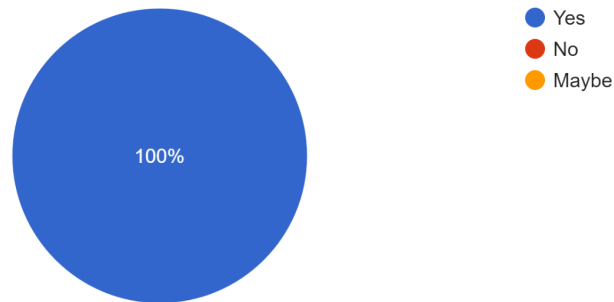

Did you learn more about the partners' countries: Poland, Italy, North Macedonia and Turkey?

56 odpowiedzi

Would you recommend the Erasmus+ projects to others?

56 odpowiedzi

Conclusions:

According to the results of the survey, the significant majority of the participants are satisfied about joining the project and the project's goals have been reached. Students became more aware of the environmental problems, learnt more about waste types and recycling. Their knowledge about plant germination also increased in comparison with the preliminary survey. The participants also improved their language and interpersonal and cultural skills, discovered the partner countries and learnt about their customs and traditions. They are going to share their experience with others and 100% of them would recommend Erasmus+ project to others, which proves the success of the project.
