

Christmas

Advent

Advent is a tradition, where you should give a present and light a candle every Sunday (4 times) until 24th. Many people like to make a Christmas decoration with 4 candles, so they could light one every Sunday.

Christmas tree

Christmas tree is a German tradition, and according to legend, church reformer Martin Luther around 1536 had the idea to take a tree with into the living room and decorate with lights.

Advent candle

Many people have an advent candle. On the candle, there are 24 numbers, from 1-24. You should light the candle/a number on the candle to 24th December.

Advent calendar

An advent calendar has been a tradition for 90 years. You open the first door on December 1st and then you open one every day until December 24th.
