

# Our school! Primary School no. 3 in Nysa

# Our school is situated in Poland in a big and beautiful town called Nysa

**Our school's patron is Janusz Korczak. He was a Polish doctor, educator and a hero from the II World War.**

**He also created the list of children's rights. We're very proud of him.**

**This is our school. It is quite big  
and we like it very much.**

**We have 26 classrooms, a library, a canteen , a common room and two gyms. Most of our time we spend in our classroom.**

**There are 51 teachers in our school, but we have lessons only with 3 - our teacher, English teacher and religion education.**
