**For Erasmus+ project –
Let's play and learn together**

- We created this presentation in our Erasmus+ club – We communicate with Europe.
- We keep a lot of traditions at our school.
- In this presentation we would like to present our look at autumn traditions and habits.

EXHIBITION OF PUMPKINS MONSTERS - TEKVIČÁK

- In Slovakia we have got a beautiful traditions and one from them is time when pumpkins ripen.
- We carve beautiful monsters from them at home and at school.
- We put candle into them and after it we display them at school, at home and in the town.

Harvest - úroda

- Harvest of grain and ripe fruit were in Slovakia always very important and they are till this time.
- We pick up grain, corn, we pick potatoes, vegetables, fruits, grapes.
- Then we organize exhibitions of fruit, vegetable, grain and grape harvest.

Harvest home - Dožinky

- Harvest home were popular especially in the past, but in some villages they are kept until today.
- People celebrate the finish of fruit and grain harvest.
- They wear folk costume and create beautiful wreath from corn.
- This tradition is the symbol of the thank for good harvest.

Grapes harvesting and vintage

- It is a beautiful festival, young people wearing the costumes with singing and creating parade celebrate the finish of their work in the vintage.
- Because Vrábľe are vineyard place, in October we pick up grapes and organize vintage - the celebration of ending the grape harvest.

Feast

- The Feast are in October in Vrábale.
- It is a big festival in the church and in the town.
- People prepare a lot of food, cakes, sweets.
- There is a lot of fun, small shops with toys, sweets and merry-go-rounds.

All Saints' Day

- In November we have got a beautiful – All Saints' Day and All Souls Day.
- We remember those who left this world.
- We usually go to the cemetery and light candles on the graves.

St. Martin on the white horse

- On 11th November in Slovakia Saint Martin is used to bring the first snow.
- We say he is coming on a white horse.

Posters of autumn traditions

- We played with vocabulary of autumn traditions and then we created posters.

In Slovakia we remember a lot of autumn traditions in many regions till this time.

Some of them we observe only at schools and folk clubs.
