

ABOUT OUR SCHOOL

kasey,fran,Harry and Lucas

Our classes- Fran and Lucas

When we start school we go to oak class.

About oak class they start off easy then get harder through out the year.

Chestnut class are the next step up from oak.

They are a massive step up from oak class they do harder work like english and maths.

Beach class are the next class up.

They move on and do RE and art but they work harder and have more responsibility and more trips.

Sycamore class is the old year group in the school they have most responsibility.

Fran and Lucas.

Main playground

The main playground is for running around and PE with is for sport everyone even reception class.

Adventure

In the adventure you need your wellies because it is very muddy.

It is fun because you can make leaf piles in the Autumn.

Paduck

You have to wear wellies to because it can get very muddy, this place is very good for playing football because it won't hurt when you fall because it's grass

School day- Kasey and Harry

First thing we do in the morning is the register to check if everyone is here, Next we do our morning task. Then we do English or Maths, sometimes we do PSHE. After that we have break and have a snack, after break we might do RE or sometimes gilded reading. Then after that we have lunch and then have playtime, after that we would do our gernling then watch newsround and then it's hometime.

Lessons- kasey and Harry

In maths we are learning about long division. What Harry thinks about long division, (I think long division is fun in it's own way, honestly I do like it)

What kasey thinks, (i think it's very fun and helps you learn how to times big numbers)

In English we are learning about using your imagination for planning a double page spread.

In science we are learning about space we even went to the we the curious and learnt about earth, sun and moon.
