Report of Reunion

For to start, we arrived at Reunion at 10:45, in France he was 7:45 am. There we were greeted by the German and English teacher who is charge of the Erasmus project.

They look us directly to the college to meet our host families as well as the director and the spanish and the Romanian correspondents. After the meetings we mafde we left with our family for a single afternoon with them to discover them a little. On monday morning we arrive a the college at 7:15 am, lessons start at 7:30 am for the first morning of Monday we all left in the room the reunionese and their correspondents. In this one we had to exchange with them to get to know each other. Then we did a crossword with different rooms of the college, after finishing it we left the room to visit it.

In the afternoon we went to the vanilla plantation to see the vanilla plantation and its details.

On Tuesday the program was to go to lagon. On the road we stopped at the botanical garden, there we discovered different plants that are not in France.

On Wednesday morning we had the conference which went very well!

We spent the afternoon with our host family . For my part, i stayed at home to discover the large garden that surrounded it and there fore the different animal species that live there.

On Thursday, we went to the volcano we spent the day there both at the museum and looking at it we had the oppotunity to see it and it was amazing.

On Friday morning we all met in front of the college at 7:30 am to go around the island sowe discovered a large park with several waterfalls and plants we were also able to admire « Le Grand Brulé».

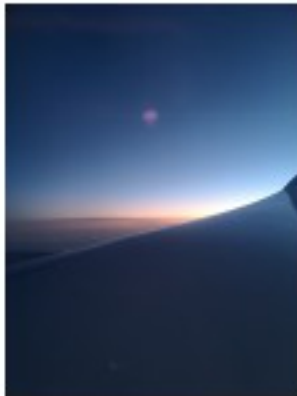

The day was then quickly over and we had to return with our families to prepare our things before the big departure, meeting in front of the airport at 5pm.

We then said goodbye to our families with emotion...

Then we went through the controls, the customs and we got on the plane 3 hours later following the delay on the Air France flight.

The next day we arrived in France in Paris around 10am and arrived in Marvejols at 3:30 pm

The 6 of us had an incredible experience and met unforgettable people. This trip will be forever etched in my memory and it is something that would like to relive the only regret i had and that it was too short as stay unfortunately... I thank the Erasmus project for allowing me to live this great adventures!
