According to projects activities, Itt Malafarina team on March 2020 planted a tree to ensure the visibility and permanence of the project in an appropriate location in the schoolyard. The project trees, including the flag of the country and the logo, will consider saving the tree during the project. .

The project tree will be a part of the participants' awareness of the importance of patience and time for the maturation of tree-like ideas, as well as their sensitivity to environmental protection.
