TORENDI – A BRANCH OF BURHÉNS

Torendi Ltd. is the subsidiary company of Burhens Ltd. and its only representative in Poland.

Burhens started to manufacture sofas and armchairs in 1995, although the firm's history dates back to Scandinavia and year 1948. They have been manufacturing high quality, interesting designed furniture with great care of all details.

Most of their furniture sales to Sweden but also to other European countries like Poland, Germany, the Netherlands, Finland. Today, Burhens employs 170 skilled workers in two factories in Northern Poland – in Kawle Dolne and Potęgowo. Their manufacturing is based on a long experience and modern technology.

Therefore, they are ready to meet any challenge so everyone can find something interesting among their furniture.
