TASK 3

There are emotions that are connected because when we are in a certain situation we feel one emotion and at the same time we feel another. For example, when we are happy at the same time we are serene, that is why we say that there are emotions that are connected.

1. When I'm in a hurry I feel confused and stressed, but when I have gotten out of that problem, I feel happy and serene.

2. When they tell me they have a surprise in store for me, I'm excited and happy, and when they gave it to me, I feel surprised and grateful.

3. When someone criticizes me in a bad way, I feel sad and at the same time angry, but they punish that person, I feel satisfied and serene

TASK 4
